His Highness Will Not July Dividend and Interest Pay-Start in the Realization Stakes.

JOCKEY

Tournament's Running-Gebhard Signs Jockey Sloane.

The Realization Stakes will be run over a heavy track to-morrow. This will not change the aspect of affairs very materially, for nearly all of the prominent candidates are equally at home on a dry or heavy track. His Highness will not be a starter. He has not yet recovered from his cough, and was shipped to Monmouth Park to-day. As between The Pepper, Victory and Tammany the race is bound to be exciting. Tammany is being pushed along in his work, for Matt Byrnes will not take any more chances by indulging this great colt. Victory has been doing good work at Brighton, and will carry the dollars of the beachcombers. His weight will be 113 pounds instead of 115, as announced by Secretary Fellowes. Victory has the full benefit of the breeding allowance, his sire, Brag. having had no winner before Bumption appeared as a two-year-old in 1800, and Viola's first winner is the colt in question. The Pepper, who the writer thinks will prove the winner, has been raced more or less during the season, and has several wins to his credit. His last win was made in true racehorse style. His weight (112 pounds) gives him a great advantage. Should the weather be fine and clear probably 20,000 persons will witness the race.

Potomac's win yesterday was not a surprise. He had raced himself into condition, and the wonder was that such a long price as 7 to 1 should be quoted against him. He won in his old-time style, and it will take a cracking good horse to beat him from now on. He ran the seven furlongs in 1.27 1-5, and could have won by tweaty lengths, for the track, being soft and cool, just suited him to a dot. Potomac's owner, Mr. M. F. Dwyer, had lost \$15,000 on him up to date and had petulantly declared him to be a cur. Yesterday he backed the coit only 1-2-3.

The talent did not fare so badly yesterday. Two favorites woa, Kildeer in the last giving many a chance to even up losses for the peared as a two-year-old in 1890, and Viola's first winner is the colt in question.

The talent did not fare so badly yesterday. Two favorites won, Kildeer in the last giving many a chance to even up losses for the day. Mars was a well - played second choice, and Banquet carried many hedge bets, it being thought that he was at a false price. Mendicant was plunged on, and her win seemed to prove that all the accurations made against Sims, who rode her when last out, were true. Prince Imperial was also heavily played.

All the talk about Hamilton going to sleep on Locohatchee yesterday is sheer nonsense. Any one with half an eye could have seen that the boy commenced to work on the stuggish coit half a mile from home. Locohatchee is overrated. One thing that must be taken into consideration is that Pickpocket was ridden yesterday by a good hustling jockey.

Even Tournament's stanchest supporters will have to admit that the speedy son of Sir Modred has a coward's heart. At the head of the stretch yesterday Lambley's net were out in front of him. Directly Banquet got alongside up went Tournament's tail, and he died so fast that Banquet fairly walked in at the finish. Tournament should be ridgen in his old-time style. Let him make his own pace and he'll kill his opponents in the first mile.

Strathmeath is in wonderfully good shape and will be a hard customer to handle from now on. Though Potemac beat him easily yesterday, it must not be forgotten that Strathmeath beat Equity and Russell half a dozen lengths.

Experiment was pounds the best of the two-year-olds in the sixth race yesterday. Just as the flag fell Halcyon, who is a crazy brute, bumped into Mr. Gebhard's filly, throwing her out of her stride back into the rear division. But for this accident Mr. Gebhard would have landed the purse.

Eugene Leigh has shipped his string from Chicago to Brighton Beach.

The owner of Lawiess complained to the stewards that several jockeys are constantly riding foul and that unless measures are taken to cure these jockeys of that habit a serious accident would result. He declared that his coit Lawiess was knocked to his knees a few days ago by one of these reckless jockeys.

Jockey Stevenson was fined \$250 yesterday for misbehaving at the post in the sixth race. A more effectual punishment would be to set him down for a month.

Charade was worked out a mile and a haif yesterday, going the route in 2.40. It is hardly probable that he will start in the Realization.

Mr. Fred Gebhard is so pleased with Sloane's riding that he has signed that jockey for two years. Major Dome and the others in Mr. W. J. Spiers's string will go to Saratoga.

Snowball, after working on Wednesday morning, pulled up lame.

Before the vote was taken Mr. Hill rose and said that he should vote against the motion to recommit, not upon any parliamentary ground, but simply because it was, in his judgment, a violation of the unanimous consent given a few days ago.
